Cookie policy

Last updated: 04/11/2026

Necessary cookies

rs_sid keeps you logged in and protects against cross-site request forgery; it is stored for 7 days. rs_admin_sid does the same for staff in the administration; it is stored for 8 hours. These cookies are HttpOnly, are set by this website and do not need consent, because the service cannot work without them.

Stored choice

Your cookie choice is kept in your browser's local storage as cookie-consent for 12 months, after which we ask again. It is not sent to us.

Analytics and advertising

Analytics and advertising cookies are not used, and no third-party cookies are set. If analytics is added, it will start only after your consent, and this page will name it first.

Changing your choice

You can change or withdraw your choice at any time under Cookie settings in the website footer. You can also delete cookies in your browser settings; you will then be logged out.
